## A Message From The President

Welcome to East Central Community College Warrior Athletics. We are proud to continue the athletic traditions at East Central where athletics are a vital part of our College. Student athletes have the opportunity to continue participating in athletics beyond the high school level to improve their athletic abilities while pursuing their educational goals. Many memories have been made through athletic contests at the College.

We are extremely proud of all of our athletic programs at East Central. Each program contributes its own unique qualities to the overall athletic program of the College. Several of our athletic programs excel each year and over time all of the programs will have an opportunity to extend their season.

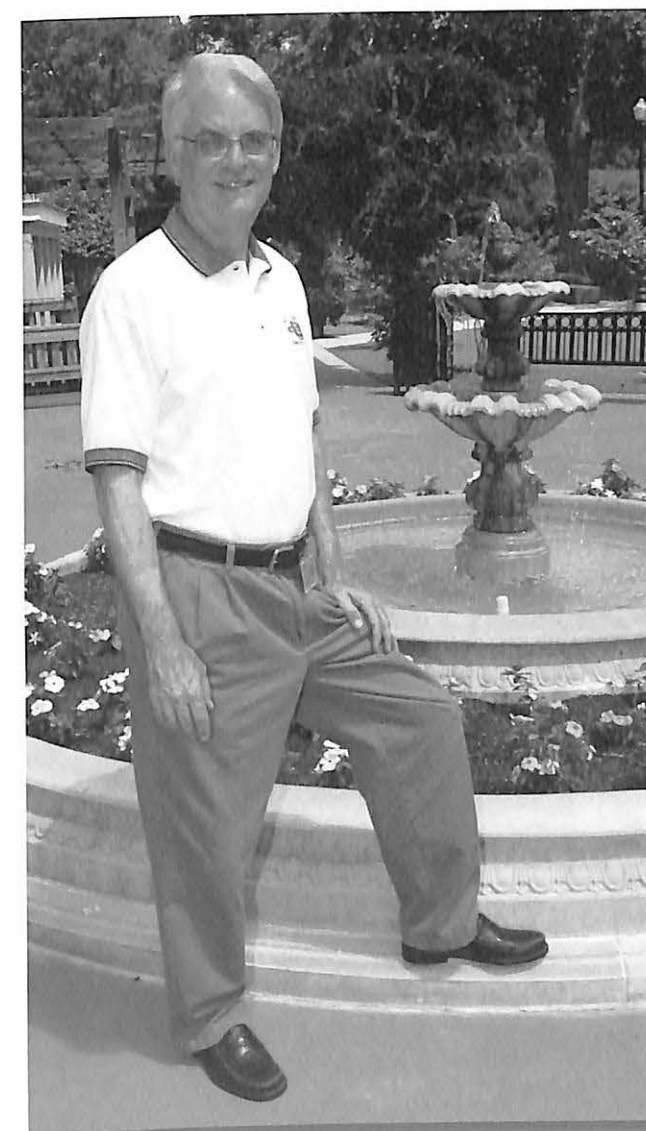

Our student athletes demonstrate their commitment and hard work both on the playing surface and in the classroom. Many of our student athletes are honored for their academic achievements and their athletic accomplishments. This past season our men's soccer team was recognized as the nation's second most academically talented team by the NJCAA JUCO Review, while the Lady Soccer Warriors were ranked fourth. In addition, the fast-pitch softball team was ranked among the top 20 academic teams nationally and each year many EC athletes are honored as NJCAA Academic All-Americans.

Special thanks are extended to all of the coaches who work with these young men and women. They instill in their players a work ethic and a commitment to excellence that will serve the students well as they move to the next chapter in their lives. The lessons learned through athletic competition remain with the student athletes long after they have moved beyond organized athletics.

Last but definitely not least, you, the fans of Warrior Athletics, are a significant part of East Central. Your support of the College's athletic programs is important to all of us, especially the student athletes. The reward for all of the athletes' hard work of practice and conditioning is the support of the fans on game day.

Thank you for supporting EC athletics and we look forward to seeing you at future athletic events on campus.

Phil A. Sutphin  
President

# Voices' of the Warriors

Veteran broadcaster Melvin Wooten of Carthage returns for his fifth year as the radio voice for Warrior football games. Joining Wooten in the booth is longtime game analyst Gilbert Barham of Philadelphia.

A familiar voice will again serve as public address announcer for ECCC football battles, as Frank Edmondson returns for his eleventh year at the mike.

Wooten previously broadcast football games for Holmes Community College and continues to serve as the radio voice for high school football action in Carthage. He is also a former public address announcer for Leake Academy sports events.

His involvement in sports also includes 20 years service as an official for high school football, basketball and baseball games.

Wooten is a graduate of Mississippi State University and East Central Junior College (Class of 1969).

He and his wife Yolanda have two daughters, DeAnna Russell of Tupelo and Hayley Hammon of McComb. Another daughter, Dana Wilcher, is deceased. Melvin and his wife also have four grandsons, Logan, Chandler and Jon Dylan Wilcher, and Tyler Russell.

Barham has served 14 years as a color analyst for Warrior football games. He is employed with the Mississippi Department of Wildlife, Fisheries and Parks and currently holds the rank of master sergeant. He previously spent 15 years as an educator and coach at schools in Leake and Kemper counties.

Barham is a 1972 graduate of Sebastopol Attendance Center. He was a member of the ECCC football team during the 1972 and 1973 seasons and graduated in 1974. He later earned a bachelor's degree in English from the University of Southern Mississippi.

He is married to the former Sheila Coleman of Clarkdale. They have two daughters, Casey, 21 and Codee, 19, who is a sophomore member of the Lady Warrior softball team. The Barhams are members of Madden Baptist Church where Gilbert serves as an adult Sunday school teacher.

Edmondson, a veteran radio and television broadcaster with more than 35 years of experience, is a former radio announcer for the University of Mississippi Lady Rebel basketball games and Ole Miss junior varsity contests. He is also a former broadcaster with WOKK in Meridian and is currently General Manager of WQST "The Gospel Station" in Forest. He also does vaious play-by-play announcing for high school and college sports.

He previously served as public address announcer for Columbus Caldwell High School football games and Verona Junior High School football action.

Currently he serves as the public address announcer for Lake High School football and baseball games.

In February of 2008 Edmondson had a book titled "Mr. Frank's Magic School Bus: Rainbow's End Adventure," released nationally. The book is about a fictional school bus that can take extraordinary trips and learn about mysterious things.

Edmondson was editor/owner of The Lake Messenger, a weekly newspaper he began publishing in 1996. He closed the newspaper in September 2005. He is also an ordained minister and has been pastor of Coopersville Baptist Church near Morton since 1996. In addition, he serves as a school bus driver for Scott County Schools and is an EMT. He received EMR and EMT training at ECCC.

He is a 1984 graduate of Mississippi University for Women (the first male to graduate "on stage"). He also attended the University of Mississippi.

Edmondson is married to the former Elizabeth (Liz) Saucier of Oxford who is employed by the Mississippi Association of Credit Unions. They have three sons, all of whom attended ECCC: Frank III & Marie of Bossier City, LA, Jeff & Jenny of Columbus and Brad & Lindsey also of Columbus; and six grandchildren, Brooke, Brandon, Mary Elizabeth, Brylen and Posey Allexandra, all of Columbus and Erika of Bossier City. They have another grandchild due this fall.

## Head Coach: Kenneth Thompson

Kenneth Thompson enters his tenth year leading the men's soccer program and fourth season as head coach of the Lady Soccer Warriors. In addition to his coaching duties, Thompson teaches developmental mathematics.

Although the Warriors and Lady Soccer Warriors struggled for success on the pitch in 2007, both teams received national recognition for their academic achievements.

The Lady Soccer Warriors achieved a 3.25 grade point average and finished fourth in the nation, according to the National Junior College Athletic Association (NJCAA). Oxford College of Emory University in Oxford, Ga., came in first with a 3.44 GPA. The 2007 recognition marked the third consecutive year the Lady Soccer Warriors have finished among the top five community and junior colleges in the academic competition. The 2005 squad posted a 3.5 GPA and was named "NJCAA Academic Team of the Year" and was featured with other Academic Teams of the Year in the 2006 edition of the NJCAA publication, JUCO Review.

The Soccer Warriors posted a 3.02 GPA, second only to Scottsdale (Arizona) Community College, which led the nation at 3.09.

Members of both squads received certificates for their accomplishment during a ceremony held on campus during the spring semester.

Prior to joining the ECCC staff, Thompson served as varsity and junior varsity soccer coach at Newton County High School, where he also coached junior high football and taught math classes.

Thompson is a graduate of Morton High School, ECCC and Mississippi State University, where he received bachelor and master's degrees in mathematics.

He is married to the former Cindy Russell of Decatur. They have three children, twins Russ and Will, and Samm.

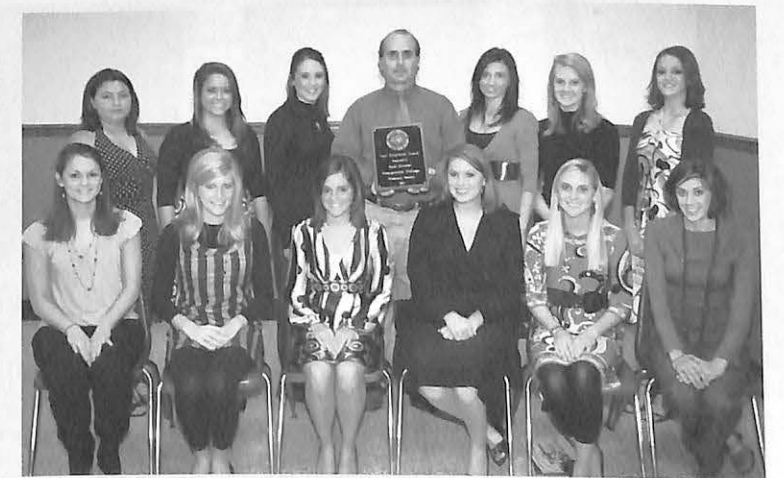

## Lady Soccer Warriors Honored

Following 2007 competition, the East Central Community College women's soccer team received the prestigious MACJC Tom Shepherd Sportsmanship Award, presented to the women and men's soccer teams with the fewest number of cards (fouls) assessed during the season. The ECCC women received just one yellow card for the 2007 campaign. The Lady Soccer Warriors were also recognized for having the fourth-highest grade point average of all teams by the NJCAA JUCO Review. Head coach Kenneth Thompson is shown displaying the Shepherd award, which was presented at the College's annual Fall Sports Awards Banquet. Team members and their respective high schools include (seated from left) Kristen Pillsbury, Newton County; Kenzie Gaines, Neshoba Central; Jana Johnson, Newton County; Skye Tindall, Newton County Academy; and Megan Munn and Chelsey Vincent, both of Newton County.

Standing from left are Catalina Tarazona, Florence; Sidney Gutierrez, Newton County; Brooke White, Florence; Coach Thompson; Kimbo Seale, Clarkdale; Kacy Covert, West Lauderdale; and Belinda Woodall, Clarkdale. Team members not pictured are Megan Klauck of Neshoba Central, Allison Leach of Union and Kaley Ball of Laurel.

## Director of Bands: Thomas W. Carson

Tom, Jeremy and Brenda Carson

Thomas W. Carson begins his twenty-seventh year as director of bands at the College and first year as Chairperson of the Division of Fine Arts.

Under Carson's leadership, the ECCC band program continues to be recognized for excellence. The Wall O' Sound Marching Band was voted the top community/junior college marching band in the state, according to a poll conducted in 1998 by the Jackson Clarion-Ledger.

For the nineteenth straight year, the Collegians, EC's rock 'n' roll group directed by Carson, represented ECCC and Mississippi on their annual tour. This year's group performed on a Royal Caribbean cruise ship in the Bahamas. In previous years, the Collegians have been featured entertainers at Disney World and Sea World in Orlando, Florida; Busch Gardens in Tampa, Florida; the South Street Seaport in New York City; and the Summer Olympics in Atlanta, Georgia. The Collegians are also a crowd favorite each year at the Neshoba County Fair. The 2008 appearance marked the 25th Collegian performance at

Mississippi's Giant House Party.

Carson served as president of the Mississippi Community and Junior College Band Directors' Association in 2001-02 and was selected the College's Humanities Instructor of the Year for 2001. He was chosen ECCC's HEADWAE (Higher Education Day – Working Toward Academic Excellence) Instructor of the Year in 1995 and was named a Lamplighter participant in 1992, an annual recognition of the state's outstanding community and junior college instructors. He was selected ECCC's Academic Instructor of the Year in 1991. He is also a former state chairman for the College Band Directors' National Association.

Carson is a graduate of Forrest-Sherman High School in Naples, Italy; East Central Junior College; and Delta State University, where he received bachelor and master's degrees in music education.

He is married to the former Brenda Branning of Philadelphia, who serves as the College's director of financial aid. They have three children, Chris, Jennifer and Jeremy.

## Friends of the Wall O' Sound

With the continued growth of the ECCC band, demands for equipment and facilities have created challenges on the financial resources available for the department. Under the direction of Thomas Carson, the band program has developed a tremendous surge in participation and programs. In addition to the 150+ member "Wall O' Sound" marching band, a concert band, jazz band, nationally touring rock and roll band (The Collegians), percussion ensemble, and touring marching drum line round out a very diverse and active program available to the EC students.

The ECCC foundation is making available to all alumni and fans of the band, an opportunity to "help make music" through financial support. These funds will be used to purchase much needed equipment and facilities necessary to maintain a modern, up to date program.

As a member of the "Friends of the Wall O' Sound," you may offer your financial support as follows:

Maestro Level .....	\$1,000 or more
Conductor Level .....	\$500
Director Level .....	\$250
Section Leader Level .....	\$100
First Chair Level .....	\$50
Band Aide Level .....	\$25

# TENNIS

## Head Coach: Dianne O'Neill

Dianne O'Neill, a native of New Orleans, La., begins her second year as tennis coach. She graduated from Louisiana State University with a Bachelor's degree in Physical Education in 1979. She taught Physical Education until 1990 when she and her family moved overseas for six years.

Upon returning to the United States, O'Neill coached high school tennis at Archbishop Blenk High School in Gretna, LA. She was instrumental in forming the New Orleans Metropolitan Tennis Association (NOMATA), a community tennis association for the Southern Section of the United States Tennis Association in New Orleans. She served on the board for three years while teaching hundreds of adults and children through recreational parks, schools, and other venues.

O'Neill was employed as a tennis instructor at Timberlane Country Club and as a high school tennis coach at Archbishop Blenk High School in Gretna, Louisiana when Hurricane Katrina struck. She moved to her mother's hometown of Decatur after the storm. This is her second year serving as adjunct tennis coach for East Central Community College.

Dianne has been married to Patrick O'Neill for twenty-nine years. They have two children.

## Tennis Court Renovation Project

East Central Community College has been working on plans to renovate the existing tennis courts on the Decatur campus. With these proposed renovations, the College hopes to bring the tennis program to the level of other Mississippi community/junior colleges. The existing courts are used year-round by the college and the adjacent communities.

According to Stacey Hollingsworth, executive director for Foundation and Alumni Relations, "The most current need is resurfacing of the courts and if funding becomes available adding bleachers, backboards, water fountains, and other court amenities."

She added, "However, cost is a limiting factor. There are currently many deep cracks and low areas on the existing courts that can and do affect the players, as well as the speed and angle of the tennis ball. The college is seeking your help in order to provide a safer recreational facility with a quality playing surface and to accommodate the growing demand for use of the existing tennis courts."

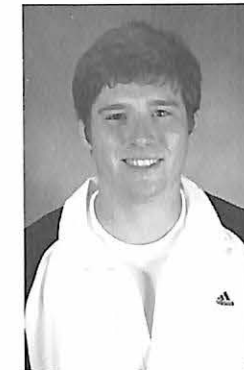

Funding received will be used to resurface the four existing courts including filling and leveling all cracks and low areas, installing a coat of acrylic resurfacer, installing coats of acrylic color and installing white textured playing lines. The approximate cost of these renovations is \$20,000. If more funding is raised, other amenities can be added to the tennis facility.

All contributions are tax deductible when made payable to the East Central Community College Foundation, Inc. Contributions should be earmarked for the Tennis Court Renovation Fund and mailed to the ECCC Foundation, P.O. Box 129, Decatur, MS 39327.
